parking

Santa Barbara has safe, clean and inexpensive parking throughout the downtown area, including ample parking at the harbor, beaches and at SBCC's various lots. We will attempt to provide shuttle services to and from various parking areas, but no guarantees. Because many will have to drive ride-sharing/carpooling is encouraged. Please take advantage of the many available alternative transportation options throughout the weekend such as walking, bicycling, taxis, Ubers, mopeds/motorcycles and riding on MTD. It is important to remember our transportation choices affect everyone and the environment.

please obey all posted street signage

The SBAA Convention, with Al-Anon participation, is self-supporting through the money paid for by registration fees, and donations. No AA funds are used to pay for this event. Conferences and conventions are special events and require money, as well as months of planning and preparation. Expenses include contracted costs for the use of convention center facilities, preparation of food and beverages, printing for registration forms, flyers, program schedules, postage, supplies and many other costs. The registration fee, which includes 3 meals, is kept as low as possible to meet our financial goal of breaking even.
