\*\*\*\*\*

We welcome you to the Al-Anon Family Group and hope you will find in this fellowship the help and friendship we have been privileged to enjoy.

We who live, or have lived, with the problem of alcoholism understand as perhaps few others can. We, too, were lonely and frustrated, but in Al-Anon we discover that no situation is really hopeless, and that it is possible for us to find contentment, and even happiness, whether the alcoholic is still drinking or not.

We urge you to try our program. It has helped many of us find solutions that lead to serenity. So much depends on our own attitudes, and as we learn to place our problem in its true perspective, we find it loses its power to dominate our thoughts and our lives.

The family situation is bound to improve as we apply the Al-Anon ideas. Without such spiritual help, living with an alcoholic is too much for most of us. Our thinking becomes distorted by trying to force solutions and we become irritable and unreasonable without knowing it.

The Al-Anon program is based on the Twelve Steps (adapted from Alcoholics Anonymous), which we try, little by little, one day at a time, to apply to our lives, along with the slogans and the Serenity Prayer. The loving interchange of help among members and daily reading of Al-Anon literature thus make us ready to receive the priceless gift of serenity.
